Spruce Lake Wilderness Camp

2010 Camper Safety Form

CAMPER NAME: _____

CAMP POLICIES- Cancellation Policy- Upon registration the \$75 deposit is considered nonrefundable. Within two weeks of the registered week of camp you will be eligible for a refund of 50% of your tuition. If we are not informed of bus cancellations by the Friday prior to the beginning of camp, the bus fee for that week will be forfeited.

Camper Contact Policy- Family and friends are asked not to have direct contact with campers while camp is in session.

Health and Safety Policy- A completed Camper Health Form is required for your child to participate in camp. It is the parent/guardian's responsibility to provide the camp with a complete and accurate Camper Health Form at least 3 weeks prior to the session for which they are registered and to inform the camp in writing of any changes to the information provided on the Camper Health Form prior to start of the session.

Camper Dismissal Policy- Only authorized persons will be permitted to pick up a camper from camp. In addition to the Parent(s)/Guardian(s) listed on the registration, the following person(s) are authorized to pick up the above named camper from Wilderness Camp or the bus traveling from Wilderness Camp. Please clearly print one name per line and call us to add more.

ASSUMED INHERENT RISKS- There are inherent risks with participating in a camping program including but not limited to the following: Environmental risks including severe weather, encounters with plants or animals. Risks associated with the behaviors and actions of other participants, employees and agents of Spruce Lake Wilderness Camp, and other individuals. Risks associated with programmed and non-programmed activities such as recreational games, swimming, boating, archery, fire building, mountain biking, vehicular travel, and adventure activities (Zip Lines, High/Low Challenge Course, Power Swings...) Many activities scheduled for specific camp weeks may be found at www.wildernesscamp.org.

Trip and travel programs, like our **off-site Expeditions**, spend more time outside and on the road increasing their exposure to the environmental and vehicular travel hazards. Additional Expedition activities include, but are not limited to, backpacking, cave exploration, lake or river canoeing, rock climbing, and white water rafting. Some of these activities may be led by professionals contracted by Spruce Lake Wilderness Camp, and you are required to complete any and all additional Agreements required by those organizations in order for your child to participate.

These risks, however slight the chances of occurrence, cannot be reasonably eliminated and may result in loss or damage to property, accidental injury or illness or, in extreme cases, trauma or death.

Furthermore, Wilderness Camp and off-site Expeditions occur in rural locations where access to advanced emergency care is limited and emergency response times might seem unduly long relative to urban/suburban standards. We do not want to frighten or reduce enthusiasm; rather we want you to be informed.

PARENTAL PERMISSIONS- Permission to Participate- I, the legal parent/guardian of the above named minor, understand there are inherent risks within participating in Spruce Lake Wilderness Camp. I give permission for my son/daughter to fully participate in the program of Spruce Lake Wilderness Camp for which my child is registered. My permission extends to all of the activities associated with that session of camp unless noted by me on the Camper Health Form. My child's participation is purely voluntary.

Permission to be Transported- I give permission for my son or daughter to be transported by approved camp staff and vehicles for camp activities and/or emergency medical treatment.

Permission to use Audio, Video, and Photographic Images- I give Spruce Lake Wilderness Camp permission to use audio/video footage and photographic images that include my son or daughter in Wilderness Camp publicity.

LIABILITY RELEASE- In consideration of the permission granted the herein named child to participate in Wilderness Camp activities, I indemnify Spruce Lake Wilderness Camp and hold the camp harmless of any claim brought on behalf of the named child. I hereby release, and covenant with, Spruce Lake Wilderness Camp that I will never, individually or as legal guardian of said child, institute any action at law or in equity for any personal injuries, or injuries to property, real or personal, caused by, or arising out of camping and other related activities sponsored by Spruce Lake Wilderness Camp, Spruce Lake Retreat, Franconia Mennonite Camping Association, its successors and legal representatives.

While Spruce Lake Wilderness Camp staff will make every effort to ensure the safety and wellbeing of my child, we do require that this form be read, filled out, and signed and dated by the parent or legal guardian of anyone under the age of 18 who wishes to participate.

My signature below indicates that I, as parent or legal guardian of the above named minor, have read the above Camper Safety Form, understand it, and agree to be bound by the terms specified.
